

Entry 886 OKD Files

Request as RG 156 Entry 886 Technical Reference Information File (OKD file)

The files mostly (but not completely) follow the War Department decimal file system

- 31 Dec 300.7 AEF & European field manuals WW I , mostly tactical
- 49 Dec 314.72 Brief 1919 study on motorization of artillery by AEF
Large history of artillery ammunition supply by AEF
- 50 Rpt of Ord Office AEF on 75mm M16 gun w/ St Chamond brake 1919 w/ photos
- 51 American 75mm AA mounts 1919 w/ photos
Report on AAA material 1919 w/ photos, most poor, some good
Report on German AAA 1919, photos of varying quality
- 52 Report on AA fire control apparatus 1919 w/ poor photos
Report: History of French AAA methods & equipment, nice study, no photos 1919
Report on 75mm M1897 in AA role 1919 no photos
- 53 Report on 155mm M1917 how,, no photos 1919
- 54 series of reports on Italian Artillery 1919 w/ photos (incl vg of heavy/coast art)
- 55 1918-1919 histories: tracked tractors (photos), trucks (photos), tanks (photos, incl damage), armored cars
(mostly on French arm car use, 1 photo of unk car), caterpillar art (2 photos), recommendations to
artillery board
- 56 hb on St. Chamond tank 1917; reports of tank inspections 1919 AEF; motors for artillery (no photos);
German motor equipment (a few mediocre photos); history of motor equip 1919; rpts on field equip (no
photos)
- 57 rpts on field equipment 1918-1919 (no photos)
- 58 history of motor section AEF (photos of tractors)
- 59 rpts of artillery sections (RR, heavy etc) 1918-1919 no photos, rpt on 8" how (drawings, no photos)
- 60 rpt on 9.2" how (drawings), GPF (drawings & photos), 120mm StChamond caterpillar (photos), 220
StChamond how caterpillar (1 photo), , 194mm SP (photos), 155mm GPF on tracked mount (photos)
- 61 rpts on French art on caterpillar mounts (drawings, no photos), misc reports on optical & fire control
equip (photos)
- 62 ibid; Austrian, German & Italian hvy hows & mortars 1919 (photos)
- 63 french art manuals (tactical) WWI; reports on Allied machine guns & auto rifles 1919 (photos)
- 64 report on small arms (incl Ger AT rifle) 1918 (photos), 37mm guns (no photos), AAMGs (photos),
MG fire control material (no photos)
- 65 Rpt of Small Arms Ammo Project 1919 (photos), minutes of big conference on aircraft armament
1919
- 66 minutes of conference of a/c armament sec (1918), various histories of a/c armament sec WW I
- 67 ibid
- 68 ibid
- 69 ibid
- 70 ibid
- 71 ibid and some on French munitions WW I (no detail)
- 72 data tables US/French/Brit trench mortars WWI, brief rpt on Fabry 15cm mortar poor illus, short
rpt 6" trench mortar & ammo 1918 drawings, short rpt 240mm trench mortar w/ drawings 1918, short rpt
45mm & 60mm Brandt mortars 1918 drawings & poor illus, short rpt 4" Stokes mortar w/ drawings,
short rpt 3" Stokes mortar incl Brandt 81mm shell 1918
- 73 short rpt Livens projector 1918 drawings, offensive handgrenade Mk III, VB rifle message grenade,
gas handgrenade Mk II, anti-tank grenade, VB Rifle gren Mk I, combination defense hand grenade
& rifle grenade, other grenades

- 74 more short grenade reports. Large History of Trench Mortar Development in France 1918 trans from French w/ drawings
- 75 report of Gage section, light armor plate 1919
- 76 vols II - IV Report on Light Armor Plate 1919
- 77 Report on light armor plate 1919
- 78 packing and containers **to Box 80**
- 81 study of helmets & body armor 1919 photos
Various small fuze reports from Frankford Arsenal 1919
- 82 various ammo reports from Frankford Arsenal 1919
- 83 history of development of various PD fuzes 1919
- 84 various on development of artillery ammo 1919 **to Box 85**
- 86 various on metallurgy for artillery projectiles to Box 88
- 89 Report: artillery ammunition for 75mm guns - mostly production, 1919
Report: History of 75mm M16 field gun & mods 1919, drawings
Report: History of 4.7" guns M06 from 1917 to 1919, drawings
- 90 photos of caissons, etc. mfg'd by American Car & Foundry 1919
- 91 The 240mm howitzer carriage - manufacturing study 1919
- 93 crating & packing of artillery 1919
- 94 history of experimental 3.3" gun carriage M1919, photos
Study: field artillery carriage sights 1918, drawings
Study: fire control instruments for coast & army artillery 1918, drawings
- 95 AA sights & Fire control instruments, 1918 drawings, poor photos
- 96 development work on 12" mortar railway carriage w/ photos 1918
Assorted translations of WW I artillery docs, w/ photos of German 15cm gun
- 97 Report: Maxim MG 04 .30cal, '08 and '08/15 model German, fair photos 1919
Report: The Berthier Automatic Rifle, photos, 1918
Report: Benet Mercier MG M1909 cal .30, photos & drawings, 1918
Report: The Chauchat automatic rifle M1915 cal 8mm & M1918 cal .30, photos & drawings
Report: The Hotchkiss MG M1914 8mm, photos & drawings
Report: The Vickers MG M1915, Cal .30, water-cooled, photos & drawings
Report: The Colt MG M1917 .30cal, 2 photos & drawings
- 98 Dec 314.72 US small arms, mostly parts & acc, 1918
- 99 7.62mm Russian ammo, drawings no photos 1918
11mm French tracer-incendiary ammo (for a/c), drawings 1918, French 8mm Lebel ammo
report on Lewis MG .30cal US M1917, photos & drawings
small note on Pederson device 1918
- 100 semi-automatic rifles 1918, photos
telescopic sights, photos, 1918
riot shotguns 1918, photos
.30cal AP ammo 1919 drawings
development of .30cal incendiary ammo 1919, poor drawings
.30cal tracer ammo 1919, poor drawings; various other .30cal ammo 1918-19
development of 11mm HE ammo in US, 1919 poor drawings
Marlin tank machine gun M1918, photos & detail drawings, history
- 101 Browning M1917 MG, many photos, history (3 large files) 1919
BAR photos (3 large files) 1919
- 102 Browning tank MG M1919 large w/ photos
Browning aircraft MG .50cal M1919, large w/ photos
Marlin aircraft MGs, 1919, drawings
- 103 Vickers aircraft MGs, 11mm and .50cal, incl Russian gun, photos, 1919
Browning aircraft MGs, .30cal and 11mm, 1919, photos

- Lewis aircraft MGs, 1919, photos
- AA sights for machine guns 1919, drawings
- 40mm 2pdr AA gun Vickers, small but drawings & photos, 1919
- History of design for AA MG mounts 1919, drawings
- 104 aeroplane gun mount 75mm of 1918, mediocre photos & drawings
- report on ballistics of American bombs
- history of US bomb sights 1919
- 37mm Semi-auto motor gun M1918, photos & drawings 1919 [very faint carbon copy]
- 105 37mm full-auto Baldwin gun, photos & drawings, 1918
- 37mm gun M1916 modified for tanks, no photos, poor quality drawings, 1919
- Goddard non-recoil gun, small rpt no illus, 1919
- Maze non-recoil gun, small rpt, 1 draw
- 106 photo albums of cloth equip & hardware (shovels, etc) (whole box) c.1919
- 107 photo album of leather equip & cloth equip (whole box) c.1919
- 108 photo albums of leather equip vol 2 c.1919
- history of targets & target materials vol1 c.1919
- 109 ibid vols 2 & 3
- history of cartridge cases 1919 (drawings)
- 37mm Savage aircraft gun drawings & photos 1919
- 110 history of Nash truck chassis, c.1919, 1 photo & handbook
- histories of electric lighting for trucks & 4-wheel drive for trucks 1919
- 111 history of White 1-ton truck chassis, offset photos & handbook 1919 (x2)
- history of Ordnance 1-ton truck chassis, photos & manual 1919
- 112 history of machine gun body (machine gun car), no photos except in manual, 1919
- histories of mobile repair shop trucks 1919
- 113 histories of various repair trucks 1919
- 114 histories of various light truck bodies 1919
- 115 history of smoke screen for tanks 1919 photostat
- short histories of various tank components 1919
- 116 history of the artillery wheeled tractor 1919
- general history of 2.5-ton tractor 1919
- history of the 5ton artillery tractor Model 1918
- 117 history of the 5-ton artillery tractor Model 1917
- history of the 10-ton artillery tractor Model 1917
- History of the 15-ton artillery tractor 75 HP Holt
- 118 History of the 20-ton artillery tractor 120 HP Holt
- History of Mk VII tractor caisson, no illus
- History of Mk VIII tractor caisson & French Schneider 3-ton caterpillar tractor , photos of tractor caisson
- 119 ibid
- history of 10-ton trailer
- history of improvised AA gun trailer poor photos
- history of AAMG trailer, Sechler type, poor photos
- history of 3" AA mobile gun mount good photos
- 120 history of the development of the Ford 3-ton tank 1919 (x2, both photostats)
- history of the 6-ton Model 1917 tank (photos) 1919
- history of the development of the 6-ton tank Mk II (small, no illus) 1919
- history of the Mark I tank (short, no illus) 1919, blueprints & drawings, manual, no photos
- 121 History of the Mk VIII Tanks, large file, photos, handbook
- History of the Steam Tank 1919 (small, no illus)
- History of the Skeleton twin motor machine (small, poor photos)

- History of the Twin City Four Wheel Drive Truck 1918 neg photostat
- report on Republic Special Military Tractor photostat
- History of Duplex Four Wheel Drive Truck photostat
- 122 History of 75mm Aberdeen tractor mount 1918 photostat
- History of Caterpillar truck adaptors 1918 photostat
- History of Walter Truck 1918 photostat
- History of CL Best 7400 lb and 75 HP tractors 1918 photostat
- 123 History of Caterpillar track units for 8" howitzer very small nice photos
- History of Christie SP combination wheel/caterpillar gun mount 1918, small, mediocre photos
- The History of Cleveland Tractor Tests, 1919 poor photos
- History of proposed trench digger, small w/ drawings 1919
- Report of Experimental developments and tests of the H-D, Indian and Militor motorcycles, photostat
- 124 histories of administrative units related to motor transport
- 125 dec 314.72
- History of the camouflage painting of ordnance vehicles nd (c1920)
- History of motor vehicle boards nd ©.1920)
- 126 "The present status of ordnance motor equipment" photostat, good summary 1920 (MT476.1)
- misc on Anglo-American tank agreements, incl some battle reports (MT481.1 et al)
- 127 mostly chem, incl flame thrower & 4" Stokes mortar & 6" trench mortar
- 128 trench mortars: 6" Sutton (no ill), 240mm Mk I (no ill), 11" Mk I (drawings), sep repts on ammo
- Livens projector (poor photostat drawings)
- all reports are small, few have illustrations
- 129 small reports on trench mortar ammo & signal flares WW I, few illus
- 130 small reports on signal pistols & flares, few illus
- small report on US prod of VB launcher WW I (MW63) & hand grenades (MW64)
- 131 small reports on hand grenades (MW72 & 74), VB grenade (MW73)
- 132 small report on 240mm mortar ammo (MW75) some photos
- History of production of Trench Warfare Material 1919 (grenades, Livens, toxic gas)(MW76)
- History of prod of Trench mortars & shells to Dec 1918 (MW77)
- small reports on Hand grenades (MX4) & rifle grenades (MX5)
- 133 HE & propellants reports WW I
- 134 HE & propellants reports WW I
- 135 ibid
- 136 ibid
- 137 weekly progress reports Airplane Engineering Division 1919 (2 issues)
- ordnance contracts second half 1919
- 138 weekly Ordnance Bulletin of Information AEF 1918
- 148 dec 321.8 mostly organization of ord dept & troops in WW 1
- 168 dec 321.90 Air Service Bulletins WW I
- 169 Brit booklet "summary of recent information on German Army & its Methods" 1917
- French report on use of artillery 1919, w/ English trans
- 170 Fr h/b "instr Prov sur le service en campagne de l'artillerie" 1919
- MA report 1936 German motorised 105 gun & 150 how bns w/ poor photos
- MA report 1937 Dutch army artillery no photos
- US booklet "Field Artillery Notes" 1917
- Large MA report 1936 on Japanese 2nd Hvy Field Art Regt w/ many photos of 150 how
- 171 MA report 1936 on Japanese 10th Field Art Regt w/ photos of 75mm gun
- MA report 1936 on German AA w/ photos of varying quality

- Large MA report 1936 on German pioneer battalions
 MA report 1937 on German infantry gun companies w/ photos of varying quality
 MA report 1937 on German motorized infantry w/ a few mediocre photos of infantry on trucks
 172 MA report 1938 on German light tank company w/ some poor-to-mediocre photos
 MA report 1936 on German AT units w/ some mediocre photos (x2)
 US T/O for infantry division at maximum strength 1918
 173 four bound volumes "Bulletin de Renseignements de Artillery" 1917-1918 w/ drawings, data & poor
 photos. This appears to have come out monthly or bimonthly and covers a variety of artillery subjects,
 including new types of ammo, etc.
 174 more copies of Bulletin, some w/ English trans (**continues through Box 179**)
 180 French 1917 report on German Artillery in July 1917 w/ Engl trans no photos
 Italian h/b "Date tecnici sommari sulle artiglierie in servizio" 1918, data no photos
 Bound copy of coast defenses book as below w/ printed photos
 181 dec 323.5 Typescript book "Report on Coast Defenses of Constantinople & Italy" 1920 (3 copies, one
 with good photos) a survey dealing w/ WW I emplacements. Includes the Dardanelles.
 182 "composition of national guard divisions and disposition of former NG units" 1918
 Assorted small reports of Coast Artillery Board 1919 (continues through box 183)
 184 report on (US) project to manufacture 18" 60cal guns 1919 w/ blueprints
 186 MA photos from May Day parade 1939 Moscow - 76mm AA, 107 gun, lt arm car
 187 "notes on air corps - ordnance conference" APG 1937
 188 periodical "Intelligence Summary" issued by MID WDGS 1936 (mostly political stuff)
 189 "Intelligence Summary" for 1937-38
 191 11 FMs from AEF on artillery 1918
 192 course materials from Ordnance school (gun design, ammo, etc), 1920
 193 course materials artillery schools – incl French handbooks (Engl trans) for artillery schools 1918
 194 course materials French artillery schools 1916
 195 ibid 1923-25
 196 ibid, most AA
 197 French materials on industrial mobilization, early 1920s
 198 French materials on industrial mobilization, tactics & defense early 1920s
 199 French materials on infantry & artillery 1920s
 200 various French materials 1920s
- 230 dec 353.53 daily reports of test firings at Aberdeen sept-Nov 1927 not indexed
 231 reports of firings at Aberdeen, AA material, 1929
 232 Final Report of Firings of AA Material, APG 1929, charts, graphs, etc.
 233 ibid
 234 ibid
 235 ibid w/ typescript of main body (conclusions)
 236 Final Report of AA Exercises—Small Arms, 1928 [incl .50cal]
 237 ibid w/ typescript of main body (conclusions)
 238 ibid, through box 240
